CONDITIONS

The City of Surprise is most grateful to those people who are willing to volunteer their time to assist the city through various volunteer programs. As a sign of the changing times, laws have been enacted to protect both the people we are serving and those honorable people who contribute their time as volunteers. This law requests that volunteers working in sensitive areas undergo procedures that may appear on the surface to be offensive to people giving their time and services. Please bear with us; we are simply taking precautions against the unscrupulous that may try to penetrate our ranks.

I fully understand, acknowledge and agree to the following:

- I. Fingerprinting may be required.
- II. I will be able to volunteer for a minimum of 10 days/events throughout the year.
- III. Signature confirms volunteer will follow organizations policies and procedures.
